

Toyota Certified Used Vehicles

Certified
Used Vehicles

The best new cars make the best used cars. It stands to reason that the better a product is made the longer it will last, which makes getting a high-quality, low-mileage Toyota at a great price a very savvy move.

Toyota's timeless commitment to quality, innovation and durability is the foundation upon which the Toyota Certified Used Vehicles (TCUV) program launched in 1996. With each passing year, the TCUV program has gained momentum — totaling over six million sales and counting.

Along with industry-leading heritage comes another advantage: an exceptional coverage policy. With a 12-month/12,000-mile Limited Comprehensive Warranty¹ and a 7-year/100,000-mile Limited Powertrain Warranty,² plus \$0 deductible³ and 7-year/100,000-mile Roadside Assistance,⁴ honored at over 1,400 Toyota Dealerships in the U.S. and Canada, we've got you covered.
